Sir:

The sequence listing in the continuation-in-part application referenced above is identical with that filed in application Serial No. 09/969,896 filed October 4, 2001. In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form filed in that application as the computer readable form for the present application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the present application. I believe the contents of the computer readable form in the parent application and the paper copy in the continuation-in-part application are identical.

Respectfully submitted,

Date: August 1, 2003
